

SNOW & ICE CONTROL EQUIPMENT

- ▶ PUBLIC WORKS DEPARTMENTS
- ▶ WATER DISTRICTS
- ▶ SEWER DISTRICTS
- ▶ CONTRACTORS

HP Fairfield started 1951 in Maine and expanded our sales across New England. We provide public works and contractor professionals with high quality snow and ice control equipment, truck bodies, street sweepers, boom mowers, asphalt recyclers, basin cleaners, leaf collectors, and much more. HP Fairfield also pre-builds snowfighters that are ready for work today. In addition to our vast assortment of products, we provide expert parts, service and installations. For outstanding service and quality truck equipment, call, follow, or visit HP Fairfield.
